Green Girls Internship Application 2024

The Stamford Museum & Nature Center is dedicated to the preservation and interpretation of art and popular culture, the natural and agricultural sciences, and history. The Museum is a vital cultural and educational resource for the community, and a focal point for family activity, lifelong learning, and inspiration. We seek to inspire creativity, foster self-discovery, promote environmental stewardship, and nurture an appreciation for learning through exhibitions, education programs, and special events that enhance every visitor's experience of our unique site.
